

### Literacy

Our literacy this term will be based on 'Stone Age Boy'. We will be writing instructions and telling stories with familiar settings. We will also be looking at poetry, including learning

### Maths

Children will be learning about place value, ordering and rounding numbers. We will also continue to develop addition and subtraction methods both mental and written. Children will also be looking at position and direction. We will also be developing

### History

Our topic this term is the Stone Age to the Iron Age. The children will be developing a number of skills which include chronology, looking at evidence to find out information and also being able to compare the different eras in

### Geography

In Geography, we will be looking at early settlements, thinking about where they settled and why they chose certain regions. We will use maps, atlases, globes and digital/computer mapping to map

### PSHCE

New Beginnings

Children will begin to understand that they belong to a school community and class. We will discuss how we are all different and this is what makes us unique. The children will also be given the opportunity to discuss their own feelings and empathise with the feelings of

### Computing

Children will be first and foremost be taught about internet safety and will learn about how the internet works. As a class, we will be creating a blog using wikispace where the children will comment on a range of subjects.

We will then create our own ebook retelling a familiar story including

### Spanish

Children will be learning new Spanish vocabulary for objects all around the classroom as well as everyday greetings and days of the week. In the second half of our term we will learn other essentials such as, numbers, colours, weather and seasons in Spanish.

### Science

In Autumn our topic is: Rocks, fossils and soils.

In Autumn B. our topic will be: How plants grow.

### RE

Children will learn about Christianity and Hinduism. They will understand how different faiths worship and will learn some of the stories associated with faiths.

### PE

Children will have PE twice a week and will be expected to have their full PE kit with them in school for both sessions.

Children will continue to work on the skills taught and developed in Year 2. They will take part in games sessions in which they will begin to develop tactics and understand rules in both basketball and rugby. They will also be taught a range of gymnastic and dance

# We Will Rock You!

## Year 3 Autumn Term

### Music

Children will be taught to sing and play musically with increasing

### Art/DT

In art we will be looking at Stone Age cave art, using different media to make our own representations. We will also be looking at Iron Age Celtic patterns in shields and jewellery, which we will then use to design our own shields and jewellery. Stone Henge played a major part in our history so we will be looking carefully at its structure to see if we can gather evidence as to how it has
